ANALYSIS OF OFFICIALS' SALARIES AND BENEFITS
(see Notes 31 to 41 below)

Office Held	Gross Salary	Pension Contributions
	£	£

OFFICIALS' SALARIES AND BENEFITS

31. The positions concerned are those of president, general secretary and each member of the executive.
32. Details are to be provided of salary and all other benefits paid from trade union funds.
33. The legislation does not define what constitutes a benefit. For the purpose of this return benefits are:
 - a. those designated as "taxable" benefits by the Inland Revenue.
 - b. pension/superannuation arrangements (see Notes 36-40).
 - c. redundancy and other termination payments (see Note 41).
34. Information is required of individual benefits with a value in excess of £100 in one accounting period. In addition to the information required above, details are also required on any loans paid from union funds.
35. If salaries and benefits (including loans) are not paid in respect of the president, general secretary or member of the executive committee a **nil** return is required.

PENSION CONTRIBUTIONS

36. Where contributions are paid from union funds into a **defined contributions scheme** in relation to the officials identified at Note 31, the amounts must be declared.
37. If the union operates a **defined benefits scheme** in relation to the officials at Note 31 please contact the Certification Office for advice on how such benefits should be recorded.

ANALYSIS OF OFFICIALS SALARIES AND BENEFITS

Benefits		Total	Employers NI-Contributions
Description	Value (£)	£	£

38. Where life assurance protection is included in the pension scheme the figure inserted in the pension column should include any additional contribution paid in respect of this cover.
39. Where life assurance protection is provided through an arrangement separate from the pension scheme the figure paid in respect of this cover should be included in the "Benefits" column and the description column should be annotated to this effect.
40. Some pension schemes operate an opt out clause from the State Earnings Related Pension Scheme (SERPS). The level of employer's national insurance contributions reflects whether the scheme provides a benefit in place of part of the state benefit scheme or are paid a benefit in addition to the state benefit. It is important therefore that the correct figure for employer's national insurance contribution is provided.

REDUNDANCY AND TERMINATION PAYMENTS

41. These are payments or other benefits (including payments of salary, or in lieu of salary) made to an officer mentioned in Note 31 in connection with the termination of his/her office. Where the payment or other benefit is provided at or about the same time as the termination, or in the financial year covered by the return, the full value should be shown. If the payment or other benefit is not fully provided in that year, a description of the payment or other benefit to be provided in future years should also be shown. The cost associated with such commitments need not be shown in subsequent years in this table.
