**ANNUAL REPORT 2017/2018** 

# <u>Annual Report of the Trustees of the Trust Funds held by the Western Health and</u> Social Care Trust for the year ended 31 March 2018

#### **INTRODUCTION**

This is the annual report for the Trust Funds held by the Western Health and Social Care Trust ('Trust Funds') for the year from 1 April 2017 to 31 March 2018.

Under Article 91 of the Health and Personal Social Services (NI) Order 1972 (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Western Health and Social Care Trust is required to prepare annual accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health (DoH). This format is in accordance with the requirements of the Accounting and Reporting by Charities: statement of recommended practice applicable to charities preparing their accounts in accordance with the financial reporting standard applicable in the UK and Republic of Ireland (FRS ICR) ("the charity SORP").

#### **Structure, Governance and Management**

The Trust Funds held by the Western Health and Social Care Trust are governed by the Health and Personal Social Services (NI) Order 1972. The Trust Board acts as "corporate trustee" for the Trust Funds. Trust Board members are recruited by the Department of Health in accordance with its recruitment procedures and are appointed by the Minister for Health.

The Endowments and Gifts Committee is the committee responsible for providing assurance to the Trust Board on all aspects of the stewardship and management of funds donated or bequeathed to the Trust.

The membership of the Endowments and Gifts Committee is as follows:

Dr G McIlroy, Non-Executive Director (Chair)

Mrs S Cummings, Non-Executive Director

Mrs L Mitchell, Director of Finance and Contracting

Mrs A McConnell. Director of Human Resources

Mrs G McKay, Director of Acute Services

Mr T Millar, Director of Adult Mental Health and Disability Services

Mr S Wade, Assistant Director of Finance (until 8th September 2017)

Ms E McCauley, Assistant Director of Finance (with effect from 23rd October 2017).

Three members had full attendance at all meetings during the year, with the remaining members missing one or more meetings.

During 2017/18, the Committee held 5 meetings to oversee the administration of the Endowments and Gifts Trust funds, their investment and disbursement.

The roles and responsibilities of the Endowments and Gifts Committee in relation to the management and governance of the Trust Funds were as follows:

- Oversee the management of Endowment and Gift funds in line with guidance in the Trust's Standing Financial Instructions, Departmental guidance and legislation;
- ratify the creation of any new fund by the Director of Finance where funds and/or other assets are received from donors in circumstances where the wishes of the donor cannot be accommodated within the scope of an existing fund;
- make recommendations on the potential for rationalisation of funds within statutory guidelines;
- ensure that assets in the ownership of, or used by, the Endowment and Gift fund will be maintained with the Trust's general estate and inventory of assets;
- ensure that funds are not unduly or unnecessarily accumulated;

- ensure that a Governance Statement is produced as part of the production of an Annual Report and Accounts for Endowment and Gift Funds;
- ensure that expenditure from Endowment & Gift Funds is subject to appropriate value for money considerations including proper procurement procedures where applicable;
- ensure that the Annual Report and Accounts are prepared in accordance with Department of Health guidelines and submitted to the Trust Board within agreed timescales;
- on behalf of the Trust Board, and on the advice of the Corporate Management Team, to authorise appropriate policies and procedures in relation to Endowment and Gift Funds.

As the Trustees are directors of the Trust, the policies and procedures followed for recruitment, induction and training of these officers applies also to their role as Trustees. During the year, none of the Trustees or members of the key management staff or parties related to them has undertaken any transactions with the Western Health and Social Care Trust Endowment and Gift funds.

The trustees' delegated authority levels are as follows:

- Expenditure up to £2,500 must be approved by an Assistant Director for the relevant fund
- Expenditure over £2,500 and less than £5,000 must be approved by a Director for the relevant fund
- Expenditure over £5,000 and less £10,000 must be approved by the Chief Executive
- Expenditure over £10,000 must be approved by Trust Board

The Director of Finance is responsible for the day to day management and control of the administration of the Trust Funds and reports to the Endowments and Gifts Committee. The Director of Finance has responsibility to ensure that Charitable Trust funds are managed appropriately with regard to their purpose and requirements; that full accounting records are maintained and that devolved decision making or delegated arrangements are in accordance with the policies and procedures agreed by the Endowments and Gifts Committee.

#### **Objectives and Activities**

The objectives of the Trust Funds held by the Western Health and Social Care Trust in 2017/18 were to ensure that charitable donations received by the Trust were appropriately managed, invested, expended and controlled, in a manner that was consistent with the purposes for which they were given and with the Trust's Standing Financial Instructions and Departmental guidance and legislation.

During the year, Endowment and Gift monies were expended in accordance with the wishes of the original donors of the funds to further the education and welfare of staff and patients/clients and in purchasing new equipment.

#### **Summary of Main Achievements**

The Trust completed another successful year in the management of funds that were donated by patients, clients, the general public and other donors in the Western Trust area. The Trust's Endowment and Gift Funds Committee took a lead role in overseeing the arrangements to ensure that every opportunity was taken to encourage utilisation of the monies by Fund signatories. One initiative supported by the Trust's Endowment and Gift funds was a joint venture in conjunction with Stillborn and Neonatal Death (SANDS) charity to fund the creation of a bereavement suite. The Endowment and Gift Funds are also being utilised to support a number of other worthwhile initiatives such as the commissioning and erection of artworks to enhance the patient environment in the new Omagh Hospital and Primary Care Complex.

#### **Financial Review**

The Endowment and Gift funds financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in January 2015, applicable to charities preparing their accounts in accordance with FRS 102 in the UK and Republic of Ireland, and with relevant guidance issued by the Department of Health.

There are no changes in accounting policies and there are no numerical changes in the previously reported results and total funds, therefore no reconciliation in results is required. The only disclosure restatement made is the restatement of governance costs in the current year Statement of Financial Activities in line with the Charities SORP.

The principal sources of income to the Endowment and Gift funds are donations from patients, clients or members of the Public and income received from investment of Endowment and Gift monies.

Where there is a legal restriction on the purposes for which a fund may be used, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes, and cannot themselves be spent, are accounted for as endowment funds.

There are a number of funds for which the Trust is unable to use the funds for the originally intended purpose. A review of these funds has been carried out and a way forward is being pursued with the Charities Commission NI and the Trust's legal advisors.

#### Review of the year 2017/18

The achievements and financial performance of the Trust with regard to management of Endowment and Gift funds are set out in individual sections below.

#### Achievements and Performance

During the year, the Trust Funds (Endowment and Gift funds) continued to engage in activities commensurate with their objectives. £762k was expended on such activities, in accordance with the Trust's policies and procedures in relation to expenditure from Endowments and Gifts.

The net market value of funds invested in the Central Investment Fund for Charities decreased by £46k, contributing to an overall market value of £2,375k at 31 March 2018. Investment income of £101k was received during the year.

#### Income

During the year income from donations & legacies totalling £401k was received, a decrease of £2k compared to prior year. £391k was received in donations compared to £387k in 2016/17. Investment income increased by £10k to £101k.

#### Expenditure

Total direct charitable expenditure for the year amounted to £751k, a decrease of £164k from 2016/17. The Endowment and Gift Committee will continue to focus on ensuring that the monies donated are being utilised. Governance costs for the financial administration of the funds amounted to £5k, being the audit fee costs for 2017/18. In addition there were Investment management costs of £11k charged by the Investment Management Company

based on the value of the portfolio held by NICIFC. Other support costs for 2017/18 were £36k.

#### Financial position at year end

Total fund balances were £3,089k, consisting of £2,534k of restricted funds, £59k of unrestricted funds and £496k of endowment funds. This is a total decrease of £414k from the previous year.

#### **Financial Controls**

The Trustees of the funds are aware of their financial responsibilities for the money that is held on trust. Appropriate policies and procedures were in place during the year to ensure these responsibilities were adequately discharged, and these are reviewed where appropriate.

#### Statement of risk

The management of risk in relation to the Trust Funds (Endowment and Gift funds) is closely aligned with the Trust's risk management procedures. These are outlined in detail in the Governance Statement contained within the Trust's Endowment and Gift funds annual financial statements.

#### **Reserves policy**

The Trust Funds (Endowment and Gift funds) does not currently enter into future commitments and so there has been no requirement to create any reserves for this. Activities are only authorised when funding is available.

#### **Investment Policy**

For investment purposes the available balances on the Trust Funds (Endowment and Gift funds) are placed in either bank deposits for short term funds or for longer term investments in the Northern Ireland Central Investment Fund for Charities, which was established under the Charities Act (NI) 1964, and is managed by the Department of Communities.

#### Plans for future periods

The Trust Funds (Endowment and Gift Funds) Committee has put in place plans for effectively managing Endowment and Gift funds in 2018/2019 and for ensuring that funds are utilised effectively and appropriately. The Committee has a particular focus on ensuring that appropriate plans are developed to make use of the monies and it closely monitors progress in this regard at each Committee meeting.

## WESTERN HEALTH AND SOCIAL CARE TRUST

# TRUST FUNDS (ENDOWMENTS AND GIFTS) ACCOUNTS FOR THE YEAR

### **ENDED 31 MARCH 2018**

#### **Statement of Accounting Officer responsibilities**

Under the Health and Social Care Resources (NI) Order 1972 (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Department of Health has directed the Western Health and Social Care Trust to prepare for each financial year a statement of accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health. The financial statements are prepared on an accruals basis and must provide a true and fair view.

In preparing the financial statements the Accounting Officer is required to:

- observe the Accounts direction issued by the Department of Health including relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis.
- make judgements and estimates on a reasonable basis.
- state whether applicable accounting standards as set out in Charities SORP (FRS102) have been followed, and disclose and explain any material departures in the financial statements.
- keep proper accounting records.
- ensure an effective governance framework and establish arrangements for the prevention and detection of fraud and corruption.

The Permanent Secretary of the Department of Health, as Accounting Officer for Health and Social Care Resources in Northern Ireland, has designated Dr A Kilgallen of the Western Health and Social Care Trust as the Accounting Officer for the Trust. The responsibilities of an Accounting Officer, including responsibility for the propriety and regularity of the public finances for which the Accounting Officer is answerable, for keeping proper records and for safeguarding the Trust's assets, are set out in the Accountable Officer Memorandum, issued by the Department of Health.

#### Certificates of Director of Finance, Chairman and Chief Executive

#### WESTERN HEALTH AND SOCIAL CARE TRUST - CHARITABLE TRUST FUNDS

# THE CERTIFICATE AND REPORT OF THE COMPTROLLER AND AUDITOR GENERAL TO THE NORTHERN IRELAND ASSEMBLY

#### Opinion on financial statements

I certify that I have audited the financial statements of the Western Health and Social Care Trust – Charitable Trust Funds for the year ended 31 March 2018 under the Health and Personal Social Services (Northern Ireland) Order 1972, as amended. The financial statements comprise: the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes. These financial statements have been prepared under the accounting policies set out within them.

In my opinion the financial statements:

- give a true and fair view of the state of the Western Health and Social Care Trust's Charitable Trust Funds' affairs as at 31 March 2018 and of its incoming and expenditure of resources for the year then ended; and
- have been properly prepared in accordance with the Health and Personal Social Services (Northern Ireland) Order 1972, as amended and Department of Health directions issued thereunder.

#### Opinion on regularity

In my opinion, in all material respects the financial transactions recorded in the financial statements conform to the authorities which govern them.

#### Basis of opinions

I conducted my audit in accordance with International Standards on Auditing (UK) (ISAs) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of this certificate. My staff and I are independent of Western Health and Social Care Trust in accordance with the ethical requirements of the Financial Reporting Council's Revised Ethical Standard 2016, and have fulfilled our other ethical responsibilities in accordance with these requirements. I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my opinions.

#### Other Information

The Trust and the Accounting Officer are responsible for the other information included in the annual report. The other information comprises the information included in the annual report other than the financial statements and my audit certificate and report. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

#### Opinion on other matters

In my opinion the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

#### Responsibilities of the Trust and Accounting Officer for the financial statements

As explained more fully in the Statement of Accounting Officer Responsibilities the Trust and the Accounting Officer are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

#### Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit, certify and report on the financial statements in accordance with the Health and Personal Social Services (Northern Ireland) Order 1972, as amended.

I am required to obtain evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of my responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website <a href="https://www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of my certificate.

In addition, I am required to obtain evidence sufficient to give reasonable assurance that the financial statements conform to the authorities which govern them.

#### Matters on which I report by exception

I have nothing to report in respect of the following matters which I report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all of the information and explanations I require for my audit; or

#### Report

I have no observations to make on these financial statements.

#### Notes to the accounts

#### 1. Accounting policies

#### 1(a) Basis of preparation

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value. The financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (SORP) with additional disclosures as required by FRS 102 and with relevant guidance issued by the Department of Health. Where appropriate, prior year comparatives have been restated.

Update Bulletin, 1 issued February 2016, amended the Charities SORP and a Statement of Cash Flows is now only required for larger charities. Larger charities are those charities with a gross income exceeding £500,000 in the reporting period. The Trust Funds of the Western Health and Social Care Trust had a gross income of less than £500,000 during 2017/18 and is therefore exempt from cash flow preparation. The Trust Funds meet the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s). The financial statements have been prepared on a going concern basis.

#### 1(b) Incoming resources

All incoming resources are included in full in the statement of financial activities as soon as the following three factors can be met:

- i) entitlement arises when a particular resource is receivable or the charity's right becomes legally enforceable;
- ii) probability where there is reasonable certainty that the incoming resource will be received;
- iii) measurement when the monetary value of the incoming resources can be measured with sufficient reliability.

#### 1(c) Income from donations and legacies

This includes all income received by the Trust funds which are gifts or bequests made on a voluntary basis

Receipt of a legacy is recognised when it is probable that it will be received.

Receipt is normally probable when:

- there has been grant of probate;
- the executors have established that there are sufficient assets in the estate, after settling any liabilities, to pay the legacy; and
- any conditions attached to the legacy are either within the control of the charity or have been met

#### 1(c) (iv) Investment Income

This is income earned from holding assets for investment purposes and includes dividends and interest.

#### 1(d) Resources expended and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. All expenditure is recognised once there is a legal or constructive obligation committing the charity to the expenditure. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

#### 1 (e) Charitable activities

Costs of charitable activities comprise all costs incurred in the pursuit of the charitable objects of the charity. These costs, where not wholly attributable, are apportioned between the categories of charitable expenditure, as shown in Note 7.

#### 1 (f) Allocation of support costs and overheads

Support costs and overheads have been allocated between Charitable Activities. Costs which are not wholly attributable to an expenditure category have been apportioned. The analysis of support costs are shown in note 4. Where costs are shared by two or more charitable activities, support costs have been apportioned between categories and this is analysed in note 4.

#### 1 (g) Investments

Investments are stated at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

#### 1 (h) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchased date if later). Unrealised gains and losses are those gains/losses arising from increases or decreases in the value of investments that have not been sold (hence unrealised at the reporting period end). These are calculated as the difference between the carrying value at the year end and opening market value (or purchase date if later). Unrealised gains and losses are allocated across the appropriate funds (i.e. those funds for which investments are held) according to the closing value of funds at the year end.

#### 1 (i) Funds structure

Where there is a legal restriction on the purposes to which a fund may be put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment funds. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified as designated funds.

The major funds held in each of the categories are disclosed at Note 13.

#### 1(j) Key judgements and assumptions

The Trust Funds make estimates and assumptions concerning the future. The resulting accounting estimate will, by definition, seldom equal the related actual results. The most significant areas of uncertainty that affects the carrying value of assets held by the Trust Funds are the level of investment return and the performance of investment markets.

#### 1(k) Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### I(l) Going concern

There are no material uncertainties about the ability of the Trust to continue operating as a going concern.

#### 1(m) Debtors

Debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### 1(n) Cash

Cash includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### 1(o) Creditors and provisions

Creditors and provisions are recognised where the Trust Fund has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
