Introduction

Under Article 91 of the Health and Personal Social Services (Northern Ireland) Order 1972 (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Trust is required to prepare annual accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health (DoH). Further, under the requirements of the Accounting and Reporting by Charities: Statement of Recommended Practice (Charities SORP) (FRS102), is the requirement to produce an Annual Report.

The Charitable Trust Funds (also known as funds held on trust) Annual Report and Accounts for the year from 01 April 2017 to 31 March 2018 include all the separately established funds for which the Northern Ireland Ambulance Service (NIAS) Health and Social Care (HSC) Trust is the sole beneficiary.

Trustee Arrangements

Under Article 85 of the Health and Personal Social Services (Northern Ireland) Order 1972 (as amended), a Trust may hold and administer property on trust for purposes relating to any service which it is the Trust's function to make arrangements for, administer or provide.

The Trust Board acts as "corporate trustee" for the Charitable Trust Funds and is responsible for ensuring that these funds are held and managed separately from public funds. The members of the Trust Board during the financial year were as follows:

Non-executive members

Mr P Archer - Chairman

Mr N McKinley - Non-Executive Director (to 7 April 2017)

Dr J Livingstone - Non-Executive Director
 Mr W Abraham - Non-Executive Director
 Mr J Haslett - Non-Executive Director
 Mr A Cardwell - Non-Executive Director

Executive members

Mr M Bloomfield - Chief Executive (from 19 March 2018)

Mr S Devlin - Chief Executive (to 18 March 2018)

Mrs S McCue - Director of Finance and Information Communications Technology (ICT)

Ms R O'Hara - Director of Human Resources and Corporate Services

Mrs M Lemon - Acting Director of Human Resources and Corporate Services

(from 20 September 2017)

Mr B McNeill - Director of Operations

Dr N Ruddell - Interim Medical Director (from 01 July 2017)

Dr D McManus - Medical Director (to 31 May 2017)

The Trust Board as corporate trustee has delegated responsibility for the on-going management of funds to the Director of Finance and Information Communications Technology.

The Trustee employed the following professional advisors during the year:

Investment Fund

Structure, Governance and Management

The Charitable Trust Funds held by NIAS are governed by the Health and Personal Social Services (NI) Order 1972. The Trust Board acts as "corporate trustee" for the Charitable Trust Funds. Trust Board members are recruited by the Department of Health in accordance with its recruitment procedures and are appointed by the Minister for Health.

The Trust Board of NIAS as corporate trustee has delegated responsibility to manage the Charitable Trust Funds to the Director of Finance and ICT. The Director of Finance and ICT oversees the day to day financial management and accounting for the Charitable Trust Funds during the year.

The Director of Finance and ICT has particular responsibility to ensure that:

- Each fund is managed appropriately with regard to its purpose and requirements;
- Spending is in accordance with the purpose of the donations and that the criteria for spending charitable monies are fully met;
- Full accounting records are maintained;
- Annual Accounts are prepared in accordance with DoH guidelines;
- Each fund is periodically reviewed and makes recommendations to the Trust Board regarding the rationalisation of funds within statutory guidelines;
- Each new charitable fund has a clearly identified purpose; and
- Devolved decision making or delegated arrangements are in accordance with the policies and procedures set out by the Board as the corporate trustee.

As required by the Charities Act (Northern Ireland) 2013, an application was submitted to the Charities Commission for Northern Ireland (CCNI) in March 2015 for the NIAS Charitable Trust Funds. The application was withdrawn in December 2016 at the request of the CCNI due to the complexity surrounding the HSC charitable funds. NIAS continues to work with the other HSC Trusts, the Department of Health and CCNI in order to successfully register the charitable trust funds.

Within the NIAS Charitable Trust Funds there was one unrestricted fund and three restricted funds in the financial year. The restricted funds relate to specific regional areas and correspond with certain ambulance stations.

Charitable Trust Funds are subject to the same system of internal control as that operating in NIAS. The Annual Governance Statement in the NIAS Annual Report and Accounts reflects the system of internal control that operates throughout the Trust as a whole which includes funds held on trust.

During the year none of the members of the NIAS Trust Board or members of the key management staff or parties related to them has undertaken any material transactions with the Charitable Trust Funds.

There are no key management personnel employed by the Charitable Trust Funds and there are no employees. All management and administration duties are performed by the employees of NIAS and the Charitable Trust Funds are not charged a management fee for their services.

Objectives and Activities

The objectives of the Charitable Trust Funds held by NIAS in 2017-18 were to ensure that charitable donations received by the Trust were appropriately managed, invested, expended and controlled, in a manner that was consistent with the purposes for which they were given and with the Trust's Standing Financial Instructions and Departmental guidance and legislation.

The unrestricted fund and three restricted funds which existed in the financial year were as follow:

- General (unrestricted);
- Newry:
- Omagh; and
- Ballymoney.

The overall strategy of the Charitable Trust Funds is to provide support by the following means:

Patients Expenditure: Purchase of comforts for the benefit of patients;

• Staff Expenditure: Purchase of equipment and facilities for use by ambulance

staff;

• Research: Encouragement of research into any aspect of the work of

the Trust:

Capital Equipment: Purchase of additional equipment; and

Other: Any purpose which the Trustee considers to be for the

better provision of care and service for patients.

Whilst respecting the wishes of the donors, the corporate trustee has ultimate discretion to apply the Charitable Trust Funds where it is impractical to maintain the designated fund due to residual balances.

Certain schemes of expenditure are deemed not to be suitable for the application of Charitable Trust Funds which include the following:

- Supplements to the remuneration of members of staff;
- Payments towards staff meals;
- Cash or other gifts; and
- Capital schemes contrary to Trust policy.

Financial Review, Achievements and Performance

The financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (SORP), previously SORP 2005, applicable to charities preparing their accounts in accordance with FRS102 in the UK and Republic of Ireland and with relevant guidance issued by the Department of Health.

The Trustee's policy is to seek to balance the use of the Charitable Trust Funds income in a way which maximises the benefits to the Trust and patients.

The overall balance of the Charitable Trust Funds decreased by £214 to £10,889 as at 31 March 2018 (2017: £11,103). As at 31 March 2018, the General Fund has a balance of £5,889 (2017: £6,505) and restricted funds have a combined balance of £5,000 (2017: £4,598).

Donations received in year totalled £3,595 (2017: £1,281) to the General Fund.

There were four purchases during the year totalling £3,902 (2017: £945) relating to staff welfare, all of which was funded from the General Fund (2017: £545) and none from the restricted funds (2017: Newry Fund £400).

The Common Investment Fund increased fund balances during the year to 31 March 2018 by £93 (2017: £1,799 increase) due to gains on the sale of the fund's investments as well as unrealised revaluation gains.

The Charitable Trust Funds continue to maintain balances at a level which is suitable to provide continued support as and when required. Due to the low level of funds in the Omagh fund (£160) the Trust Board approved the transfer of that fund to the General fund, which will be completed in 2018-19.

Financial Controls

The members of the NIAS Trust Board are aware of their financial responsibilities for the money that is held on trust. Appropriate policies and procedures are in place to ensure these responsibilities are adequately discharged and these are reviewed on a regular basis.

NIAS utilises an internal audit function (commissioned from the Business Services Organisation), which operates to defined standards and whose work is informed by an analysis of risk to which the Trust is exposed and annual audit plans are based on this analysis. In 2017-18 Internal Audit included a review of the systems and controls in place for the management of the Charitable Trust Funds and a satisfactory level of assurance was provided. No priority one findings were identified.

Statement of Risk

The management of risk in relation to the Charitable Trust Funds is closely aligned with NIAS's risk management strategy and procedures.

Reserves Policy

The Charitable Trust Funds do not currently enter into future commitments and so has not created any reserves for this. Activities are only authorised when funding is available.

Investment Policy

In order to maximise the total return from investment of the Charitable Trust Funds, the Northern Ireland Health and Social Services Charities Common Investment Fund was established by an Order dated 30 March 1995, made by the Department of Health and Social Services under Section 25 of the Charities Act (Northern Ireland) 1964. The Charitable Trust Funds of NIAS are invested within this Common Investment Fund.

A committee has been established to manage the operations of the Common Investment Fund. During 2017-18 this committee consisted of the following individuals:

Chairman

Mr P McNaney

Committee members

Mr M Dillon (to 19 June 2017)
Mrs M Edwards (from 20 June 2017)

NIAS does not maintain a bank account for Charitable Trust Funds, all fund monies are held in the Common Investment Fund. The Trustee does not envisage any change in the NIAS investment policy in the foreseeable future.

Plans for Future Periods

Funds will continue to be reviewed in order to utilise the funds for the benefit of both patients and staff in the fund's regional areas and for the Trust as a whole. In addition the Trust will fully participate in all discussions with the CCNI regarding the registration process.

Funds Held as Custodian Trustee on Behalf of Others

The Trust does not act as Custodian Trustee on behalf of others.

A Big Thank You

On behalf of the staff and patients who have benefited from improvements due to donations, the Corporate Trustee would like to thank all patients, relatives and friends who have made charitable donations.

The Charitable Trust Funds Annual Report was approved at the Trust Board meeting on 13 June 2018.

NORTHERN IRELAND AMBULANCE SERVICE HEALTH AND SOCIAL CARE TRUST – CHARITABLE TRUST FUNDS

THE CERTIFICATE AND REPORT OF THE COMPTROLLER AND AUDITOR GENERAL TO THE NORTHERN IRELAND ASSEMBLY

Opinion on financial statements

I certify that I have audited the financial statements of the Northern Ireland Ambulance Service Health and Social Care Trust for the year ended 31 March 2018 under the Health and Personal Social Services (Northern Ireland) Order 1972, as amended. The financial statements comprise: the Statement of Financial Activities, the Balance Sheet and the related notes. These financial statements have been prepared under the accounting policies set out within them.

In my opinion the financial statements:

- give a true and fair view of the state of the Northern Ireland Ambulance Service Health and Social Care Trust's Charitable Trust Fund's affairs as at 31 March 2018 and of its incoming and expenditure of resources for the year then ended; and
- have been properly prepared in accordance with the Health and Personal Social Services (Northern Ireland) Order 1972, as amended and Department of Health directions issued thereunder.

Opinion on regularity

In my opinion, in all material respects the financial transactions recorded in the financial statements conform to the authorities which govern them.

Basis of opinions

I conducted my audit in accordance with International Standards on Auditing (UK) (ISAs) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of this certificate. My staff and I are independent of Northern Ireland Ambulance Service Health and Social Care Trust in accordance with the ethical requirements of the Financial Reporting Council's Revised Ethical Standard 2016, and have fulfilled our other ethical responsibilities in accordance with these requirements. I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my opinions.

Other Information

The Trust and the Accounting Officer are responsible for the other information included in the annual report. The other information comprises the information included in the annual report other than the financial statements and my audit certificate and report. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Opinion on other matters

In my opinion the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Responsibilities of the Trust and Accounting Officer for the financial statements

The Trust and the Accounting Officer are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit, certify and report on the financial statements in accordance with the Health and Personal Social Services (Northern Ireland) Order 1972, as amended.

I am required to obtain evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of my responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my certificate.

In addition, I am required to obtain evidence sufficient to give reasonable assurance that the financial statements conform to the authorities which govern them.

Matters on which I report by exception

I have nothing to report in respect of the following matters which I report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all of the information and explanations I require for my audit; or

Report

I have no observations to make on these financial statements.

Charitable Trust Fund Accounts for the year ended 31 March 2018

Notes to the Accounts

1. Accounting Policies

1(a) Basis of Preparation

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value.

The financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (Charities SORP), with additional disclosures as required by FRS102, and with relevant guidance issued by the Department of Health.

Update Bulletin 1 issued February 2016 amended the Charities SORP and a Statement of Cash Flows is now only required for larger Charities. Larger Charities include those charities with a gross income exceeding £500,000 in the reporting period. The Charitable Trust Funds held by the NI Ambulance HSC Trust had a gross income of less than £500,000 during 2017-18 and therefore the Charitable Trust Funds are exempt from the requirement to prepare the statement.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements have been presented in sterling which is also the functional currency of the Charitable Trust Funds.

The Charitable Trust Funds meet the definition of a public benefit entity under FRS 102.

The financial statements have been prepared on a going concern basis.

1(b) Structure of Funds

Where there is a legal restriction on the purpose for which a fund may be used, the fund is classified either as an endowment fund, where the donor has expressly provided that only the income of the fund may be expended, or as a restricted fund, where the donor has provided for the donation to be spent in furtherance of a specified charitable purpose.

The major funds held in each of these categories are disclosed in Note 9.

Charitable Trust Fund Accounts for the year ended 31 March 2018

Notes to the Accounts

1(c) Incoming Resources

All incoming resources are included in full in the Statement of Financial Activities as soon as the following three factors can be met:

- Entitlement arises when a particular resource is receivable or the charity's right becomes legally enforceable;
- Probability where there is reasonable certainty that the incoming resource will be received; and
- Measurement when the monetary value of the incoming resources can be measured with sufficient reliability.

1(d) Income from Donations and Legacies

This includes all income received by the Charitable Trust Funds that is a gift or bequest made on a voluntary basis, for any purpose (unrestricted funds) or for a particular purpose (restricted funds).

Legacies are recognised when it is probable that they will be received.

1(e) Income from Charitable Activities

This includes income earned both from the supply of goods or services under contractual arrangements and from performance-related grants which have conditions specifying the provision of particular goods or services by the Charitable Trust Funds.

1(f) Other Income

This includes income from groups that have undertaken fundraising activities, income from charity vouchers and any other miscellaneous income.

1(g) Investment Income

This is income earned from holding assets for investment purposes and includes dividends and interest.

Charitable Trust Fund Accounts for the year ended 31 March 2018

Notes to the Accounts

1(h) Resources Expended and Irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. All expenditure is recognised once there is a legal or constructive obligation committing the charity to the expenditure. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

1(i) Expenditure on Raising Funds

This includes all expenditure incurred by a charitable fund to raise funds for its charitable purposes and includes the costs of all fundraising activities and events, non-charitable trading activities and the sale of donated goods.

1(j) Expenditure on Charitable Activities

This includes all expenditure by the Trust Funds in undertaking activities that further its charitable aims for the benefit of its beneficiaries as shown in Note 3.

These costs where not wholly attributable, are apportioned between the categories of charitable expenditure.

1(k) Allocation of Support Costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include management fees, however, the NI Ambulance Service HSC Trust does not charge the Charitable Trust Funds a management fee for provision of clerical and administration support. Support costs also include costs related to the statutory audit (see Note 5).

Support costs have been allocated between expenditure on charitable activities and the bases on which support costs have been allocated are set out in Note 4.

1(I) Fixed Asset Investments

Investments are stated at market value as at the Balance Sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals throughout the year.

Details of movements in fixed asset investments during the year are shown in Note 8.

Charitable Trust Fund Accounts for the year ended 31 March 2018

Notes to the Accounts

1(m) Realised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are those gains or losses arising from increases or decreases in the value of investments that have not been sold (hence unrealised) at the reporting period end. These are calculated as the difference between the carrying value at the year end and opening market value (or purchase date if late). Unrealised gains and losses are allocated across the appropriate funds (that is those funds for which investments are held) according to the closing value of funds at the year end.

1(n) Gifts in Kind

Assets given for distribution by the charity are included in the Statement of Financial Activities only when distributed.

In all cases the amount at which the gifts are brought into the account is either a reasonable estimate of their value to the charity or the amount actually realised. The basis of the valuation is disclosed in the Trustees' Annual Report.

Assets given for use by the charity (for example property for its own occupation) are included in the Statement of Financial Activities as incoming resources within Corporate Donations when receivable.

Gifts made in kind but on trust for conversion into cash and subsequent application by the charity are included on the accounting period in which the gift is sold.

1(o) Debtors

Debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1(p) Creditors

Creditors are recognised where the Charitable Trust Funds have a present obligation resulting from a past event that will probably result in the transfer of monies to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

Charitable Trust Fund Accounts for the year ended 31 March 2018

Notes to the Accounts

1(q) Financial Instruments

The Charitable Trust Funds only have financial assets and liabilities that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1(r) Going Concern

There are no material uncertainties about the Charitable Trust Funds ability to continue as a going concern.

1(s) Key Judgements and Assumptions

The Charitable Trust Funds make estimates and assumptions concerning the future. The resulting accounting estimate will, by definition, seldom equal the related actual results. The most significant areas of uncertainty that affects the carrying value of assets held by the Charitable Trust Funds are the level of investment return and the performance of investment markets.
