

**DE BUSINESS PLAN 2015/16 – END OF YEAR MONITORING
FINAL POSITION AT 31 MARCH 2016**

Descriptors

DESCRIPTOR	Circumstances for use at year end	Explanation for slippage, delay or non-achievement
Green	Achieved - When action/target has been completed in full within the 2015/16 business year.	Outline achievements (include the measure of success and achievement date).
Amber/Green	Substantially achieved - When a substantial part of the action/target has been delivered within the 2015/16 business year.	Outline achievements to date, work outstanding and timescale for full completion.
Amber	Likely to be achieved but with some delay - When action/target is likely to be achieved in full but after the 2015/16 business year.	Outline achievements to date, reason for the delay and the likely timescale for completion.
Red	Not achieved - When action/target was not achieved as part of an in-year or annual target and cannot be revised or carried forward. This might include, for example, situations where a target is no longer relevant or appropriate.	Outline the reason the target has not been achieved.

CORPORATE GOAL 1: RAISING STANDARDS FOR ALL

Commitments and indicators in blue relate to commitments and/or 2014/15 milestones in the Programme for Government 2011-15

		parents applying for funded pre-school provision by end September 2015.	Families and Communities		
	Early years education strengthened and developed	1.4 Progress implementation of the framework for early years 'Learning to Learn' to strengthen and develop early years education and implement key actions.		Amber/Green	Substantially achieved. Majority of actions fully or in process of being implemented. The actions in relation to proposed amendments to primary legislation did not progress through the legislative process before dissolution.
		1.5 Review and progress the findings of the independent review of Sure Start by end March 2016.		Amber/Green	Substantially Achieved: Implementation has commenced on all recommendations with a significant number implemented; longer term development for a minority of recommendations required. Implementation expected to be completed by December 2016.

	The effective implementation of the statutory curriculum	1.13 By December 2015 evaluate the pilots for the expansion of Area Learning Communities into supporting the delivery of the curriculum between the primary and post-primary phases.		Amber/Green	Reports provided by Area Learning Communities that participated in this pilot project have been evaluated and a draft report produced. A summary of the findings will be provided to the Minister.
	An increase in the proportion of A-Level Science, Technology, Engineering and Maths (STEM) examination entries in 2015/16 cohort, from a baseline of 40.9% (Proportion of A-Level Examination Entries in STEM subjects in 2011/12).	1.14 Throughout the year identify and support appropriate intervention programmes to increase interest in and take-up of STEM subjects.		Green	Figures for 2014/15 A level entries show an achievement of 41.6% (+0.7 percentage pts). This is in contrast to an overall fall in A level entries of 4.6%. JCQ figures for A level entries here indicated that number of A level students sitting Maths has increased by 8.6% from last year, making it the single most popular subjects at this level. There has also been a 3.2% increase in STEM subjects overall. The final figures for 2014/15 A level

					<p>entries will be know in early 2016.</p> <p>We are continuing to invest in and promote STEM related programmes within schools.</p>
Assessment	<p>Functional assessment arrangements at Key Stages 1, 2 and 3, maximising the proportion of schools reporting levels to the Council for the Curriculum, Examinations and Assessment (CCEA).</p>	<p>1.15 Throughout the year ensure that statutory assessment arrangements continue to support the delivery of the statutory Curriculum and DE policy objectives.</p>		Amber	<p>The degree to which the arrangements have been embedded has been impacted by union and wider professional opposition. The Minister met with NITC and while progress was made and most of the unions suspended their action in part, the level of engagement with the statutory process remains low. A Ministerial letter advising schools of progress and arrangements was issued in February 2016. CCEA's "Assess and Progress" hub is now live and provides a one-stop shop of tailored assessment support. Discussions with</p>

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
					NITC are continuing.
	Evidence of DE activity in response to policy options and recommendations described within the Organisation for Economic Co-operation and Development (OECD) review of evaluation and assessment in education report	1.16 Throughout the year engage with relevant stakeholders on the refinement of policy developments associated with the policy options and recommendations contained in the OECD review of evaluation and assessment in education report.	Planning and Performance Management	Green	A further stakeholder event was held on 18 November at Stranmillis College. Although well received, attendance was low and the Minister has agreed that no further sessions are held. The Programme Board (PB) met on 5 January and decided that as the key themes in the report were already being, or could be, taken forward through normal policy development, the PB should cease. Further engagement with stakeholders will take place through other relevant fora.
School Evaluation and improvement	The consistent implementation of <i>Every School a Good School</i> , the Department's school improvement	1.17 Throughout the year every school inspection includes a focus on retention rates and what schools are doing to meet the needs of	Education and Training Inspectorate	Green	ETI ensures that written reports are accompanied by relevant statistics on numbers of pupils in the schools being inspected. The report also shows attendance data against

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
	policy	every child.			the NI average. There has also been an increased focus, in recent years, on the responsibility which a school has for those of its pupils attending alternative (often out of school) educational provision.
		1.18 Following discussion of operational implementation, complete the revision of the Formal Intervention Process to increase its robustness and responsiveness to the needs of pupils and working with the Education and Training Inspectorate (ETI) and the EA, agree a revised process during 2015/16.	Curriculum, Qualifications and Standards	Green	Revisions to Annex C of ESAGS school improvement policy were implemented from September 2015 to align with changes to ETI's performance levels. All schools were notified of the revisions by letter (20 August). Individual letters issued to those schools due follow-up inspections in the 2015/16 academic year (i.e. those schools that we know may be impacted due to the revisions).

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
		<p>1.19 Throughout the year, promote improvement through the whole-school inspection of at least 220 school and pre-school settings, and at least 10 youth settings.</p>	<p>Education and Training Inspectorate</p>	<p>Amber/Green</p>	<p>ETI completed 202 whole-school inspections of school and pre-school settings, and 10 youth settings.</p> <p>In addition, ETI completed: 28 inspections of nursery units as part of primary school inspections; 12 baseline visit inspections of pre-school settings and 2 baseline visits of nursery units within primary schools; 19 planned specialist follow-up inspection visits as part of the Promoting Improvement in English and Mathematics project; 39 sustaining improvement pilot inspections of school and pre-school settings and 2 youth settings; and 46 follow-up inspections of school and pre-school settings, 3 youth settings and 5 nursery units.</p>

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
			Education and Training Inspectorate		The reduction in resources impacted directly on ETI's capacity to undertake inspection activity.
		1.20 Ensure all schools address the Areas for Improvement identified during inspection.		Green	Areas for Improvement identified during inspection are focused upon, as appropriate, as part of the Follow-up Inspection process. In addition, ongoing improvement in individual schools is a key focus of the district inspector role which members of ETI have.
		1.21 Throughout the year undertake further collaboration with the Department of Education and Skills (DES) Inspectorate in relation to north/south professional development, inspector exchanges		Green	Inspector exchanges and corporate visits were undertaken between DES and ETI during the business year 2015/16. An additional late request for an ETI inspector to formally participate in a DES inspection in October 2015 was facilitated.

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
		1.22 Develop, in conjunction with stakeholders, a dashboard of measures for school evaluation. A panel of practitioners shall be established to make a recommendation on the way forward by the end of December 2015.	Curriculum, Qualifications and Standards	Green	Advisory panel established, initial pilot with school principals completed and workshops with principals and other stakeholders completed. . Recommendations were made to the Minister by march 2016
Qualifications	A broad range of suitable and robust qualifications available to pupils in schools here	1.23 Throughout the year take forward both short-term and long-term actions flowing from the fundamental review of qualifications.	Curriculum, Qualifications and Standards	Green	All 30 recommendations have either been completed or are been taken forward. An Expert Group, established as part of the Fundamental Review, have been tasked to bring forward advice and recommendations on the longer term vision for qualifications here. The Group is on schedule to produce its final report in autumn 2016.

CORPORATE GOAL 2: CLOSING THE PERFORMANCE GAP, INCREASING ACCESS AND EQUALITY

Commitments and indicators in blue relate to commitments and/or 2014/15 milestones in the Programme for Government 2011-15

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
Promoting Equality of Opportunity		2.1 During 2015/16 continue to deliver the commitments in the Department's Equality Scheme.	Equality and All Ireland	Green	Delivered throughout the year. .
Special Educational Needs	Pupils with Special Educational Needs (SEN) achieving in line with their potential	2.2 Support the progress of the SEN and Disability (SEND) Bill through the Assembly. By May 2015 agree arrangements for SEN supports in early years settings. By January 2016 issue draft SEND Regulations for consultation. By January 2016 issue draft SEN Code of Practice for consultation.	Access, Inclusion and Well Being	Green	Early Years arrangements agreed and allocations made to EA to end March 2016. SEND Bill received Royal Assent 23 March 2016 – known as Special Educational Needs and Disability Act (Northern Ireland) 2016 (chapter 8). Consultation on draft Regulations launched 22 February. Code of Practice being developed through focused consultation from January 2016.

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
		2.3 Continue to work with other departments and relevant bodies, throughout the year, regarding the implementation of DE specific 2015/16 autism actions, as outlined in the NI Executive's Autism Strategy and Action Plan.		Green	A public consultation on the draft Code will follow. DE has liaised with the Education Authority and the Middletown Centre for Autism in relation to the education-related actions and has participated in the Autism Strategy Interdepartmental Senior Officials group. Progress against actions has been provided to DHSSPS.
Youth Work	Youth work services strategically aligned to education priorities, planned and delivered according to robust assessment of need	2.4 During 2015/16 progress implementation of 'Priorities for Youth' with the support of key sectoral partners.	Families and Communities	Amber/ Green	Substantially achieved, as set out in the 2015/16 Regional Development Framework.
		2.5 By autumn 2015 complete a consultation exercise on the future of the Youth Council.		Green	Achieved. Ministerial announcement made in relation to the future of the Youth Council on 10 December 2015.

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
		By March 2016, subject to Ministerial agreement, commence any changes required to the current legislation as appropriate.		Red	The proposed repeal of primary legislation did not progress through the legislative process before dissolution.
Addressing Barriers to Learning	Reduce the % of half days missed because of unauthorised absence	2.6 Reduce the % of half days missed because of unauthorised absence in primary schools by 0.5% and in post primary schools by 0.5%.	Access, Inclusion and Well Being	Amber/ Green	0.3% reduction achieved in unauthorised absences in both primary and post-primary in relation to comparison with overall absence levels. Schools written to directly in relation to coding issues, in particular, in relation to unauthorised absence where no reason has been provided.
		2.7 Secure an increase in the overall attendance rate to: 94.3% in 2014/15 94.6% in 2015/16.		Green	2014/15 target achieved. Attendance rate was 94.6% in 2014/15. Workshops held with principals. Additional guidance issued.

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
		2.8 Secure an increase in the overall attendance rate in schools with currently less than 90% attendance.	Access, Inclusion and Well Being	Amber/ Green	<p>Information leaflet issued to parents to raise importance of attendance.</p> <p>Of the schools with an attendance rate of less than 90% in 2013/14 and for whom data was available in 2014/15, 61% of schools improved attendance rate; 10% remained static; 29% had a decrease in attendance rate. Work continues to address poor attendance in all schools. In addition to the guidance issued. Attendance is a standing item on the agenda of governance and accountability meetings with the EA. DE will promote sharing best practice</p>

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
					on attendance through an ETI publication due to be published in the 2016/17 academic year.
	Reduce the % of half days missed because of unauthorised absence	2.9 Develop an attendance strategy and deliver the commitments outlined in the Memorandum of Reply (to the Public Accounts Committee (PAC) Report on Improving Pupil Attendance) published on 4 August 2014 for implementation in the 2015/16 school year.	Access, Inclusion and Well Being	Amber / Green	Draft strategy issued for public consultation March 2016. Strategy will be finalised and launched early in the 2016/17 school year. The Department continues to monitor progress in respect of the commitments set out in the Memorandum of Reply.
	Operational support of 30 Nurture Units (20 DSC / 10 existing), support for external evaluation and policy development.	2.10 In conjunction with the Department for Social Development, ensure ongoing delivery of the Nurture Units project until March 2016. In particular, DE will: Allocate the £1.6m secured 'change fund' funding to maintain the operation of the 30 funded		Green	Funding for the full financial year (2015/16) was allocated to the EA and all 30 units have continued to operate successfully. The DSC Literacy and Numeracy Legacy Programme has been delivered to schools, sharing best practice interventions for tackling underachievement.</p> <p>Co-operation Ireland have put together an Advisory Group made up of educationalists from north and south and their first meeting is scheduled for 5 April. The first of 2 all island seminars has been scheduled for 12 May. DE project manager will continue to liaise with Co-operation as and when required.</p>

⁴ During the financial year 2015/16 the most recent performance data will relate to the 2013/14 academic year.

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
		2.13 Throughout the year support the implementation of the Entitlement Framework underpinned by a refreshed Careers Strategy to be published by June 2015.		Amber	Entitlement Framework support has been provided directly to schools delivering courses on a collaborative basis. Action Plan from the review of the Careers Strategy was agreed and published. Minister O'Dowd and Minister Farry jointly launched the new Careers Strategy, 'Preparing for Success 2015-2020' on 1 March 2016.
	Increase the % of Looked After Children leaving school with at least 5 GCSEs at grades A*-C (or equivalent) including GCSEs in English and Maths	2.14 Continue collaborative work with the Department of Health and Social Services and Public Safety and the Education Welfare Service to embed the use of Personal Education Plans and to ensure that there is sufficient guidance available to support schools in educating Looked After Children and ensuring the Looked After Child's needs are met.	Access, Inclusion and Well Being	Amber	Alongside the development of the LAC policy the Department is also revising its PEP guidance. Updated guidance will be piloted in the 16/17 school year. DE will continue to work with DHSSPS and the EA (through

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
			Access, Inclusion and Well Being		EWS) to ensure that the needs of Looked After Children are met. Funding has been secured through the EITP for a project to raise the educational outcomes of LAC.
		2.15 Continue work on the development of a Looked After Children Policy with the aim of introducing a policy during the 2015/16 school year.		Amber	Early ground work has been completed to support the development of a LAC policy: OECD has recently published a case study report on LAC, ETI will publish a report on the evaluation of the effectiveness of PEPs in 2016 and VOYPIC have been commissioned to take the views of LAC on a future policy. In order to encompass consideration of the

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
					<p>outworkings from all of these strands, subject to the views of the Minister, the development of a LAC policy will be progressed during 2016/17. The draft LAC policy will require public consultation during the 16/17 school year and therefore implementation of a new policy is planned for the beginning of the 17/18 school year.</p> <p>In advance of a specific DE LAC policy, education is a key area within a LAC strategic statement being developed by DHSSPS during 2016/17 and the Department will ensure that key</p>

Area	Key Success Indicator	Commitment/Action	Lead Directorate	Status	Comments
					education considerations are included in the strategic statement.
		2.16 Through these actions increase the % of Looked After Children leaving school with at least 5 GCSEs at grades A*-C or equivalent including GCSEs in English and Maths above the 2012/13 position of 27%.		Green	<p>The small number of LAC leaving school in any one year means that the statistics are vulnerable to significant swings and this is not therefore an effective measure. The percentage of LAC children achieving 5+ GCSEs inc English and Maths has increased from the 2012/13* position. Through the new LAC policy and the Attendance strategy there will be a continued focus on improving attendance and attainment for LAC.</p> <p>*Source: School</p>

CORPORATE GOAL 6: DISCHARGING OUR CORPORATE RESPONSIBILITIES EFFECTIVELY

Commitment/Action	Lead Directorate	Status	Comments
6.1 Continue the implementation of the Department's Human Resources (HR) Strategy 2014-17 by taking forward agreed initiatives in the 2015/16 HR Action Plan and measuring and evaluating impacts.	Equality and All Ireland	Green	Substantive achievement of 2015-16 targets in HR Action Plan. Some carry forward into 2016-17
6.2 Fulfil effectively our statutory duties in relation to equality and good relations.		Green	Achieved
6.3 Provide an efficient and effective service to the Minister in relation to Ministerial, Executive, Assembly, NSMC and British Irish Council business. This includes providing a high quality and responsive communications service to the Minister and the Department.		Green	Achieved
6.4 Throughout the year manage the Department's budget to optimise the use of available resources and ensure that education bodies are not in breach of the financial control framework.	Finance	Green	The 2015-16 Provisional Outturn was finalised and issued to DFP in May 2016. The Department had a Resource underspend of £10.9m (0.55%) and a Capital underspend of £0.4m (0.3%). Neither the Department nor any of its ALBs overspend their 2015-16 Budget.

6.5 Effectively manage Departmental sickness absence to ensure an average of no more than 7.8 days per employee.	Equality and All Ireland	Red	Estimated outturn for 2015-16 is 9.days lost per staff year against target of 7.8. This represents an improvement on the 2014/15 outturn of 10.2 days. Management action to address performance in this area is ongoing. This includes compliance reporting and monitoring and continued robust case management.
6.6 Throughout the year ensure that robust fraud management arrangements are in place within the Department and its ALBs to identify, evaluate and appropriately manage the risk of fraud and if fraud does occur to take firm action against the perpetrators.	Planning and Performance Management	Green	Fraud risk analysis has been completed. The relevant fraud risks are now included in the appropriate risk register. A template whistleblowing policy and a fraud prevention policy has been developed which Schools Finance

			Team will incorporate into a new financial management guide for VGS/GMIS.
6.7 Manage information effectively and securely, in line with NICS policies and the requirements of the Data Protection Act 1998 and the Freedom of Information Act 2000.	Equality and All Ireland	Green	Ongoing programme of work in support of this commitment.
6.8 Throughout the year ensure that our work in producing education statistics is delivered in full accordance with the Code of Practice for Official Statistics (this is a statutory requirement for those of our statistics which have achieved National Statistics designation).	Planning and Performance Management	Green	Since April all statistics produced in full accordance with the Code of Practice for Official Statistics
6.9 Throughout the year implement the Department's commitments to PAC in accordance with the established timescales.		Green	Internal Audit completed the annual exercise confirming the current position and implementation of NIAO/PAC recommendations.
