### No police link to death but officers disciplined over pursuit through village

Two police officers have been disciplined after driving at 81mph through a 30mph zone in the village of Claudy in an unmarked police vehicle with no sirens or flashing lights activated. It follows a Police Ombudsman investigation into the incident, which took place on Sunday 11 December 2011. A car which police had been following crashed, killing a woman passenger.

### Wearing of mask was not insensitive

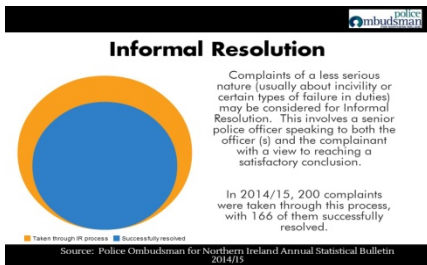

### Officers did not fail to protect child

### Discipline over man's arrest and detention

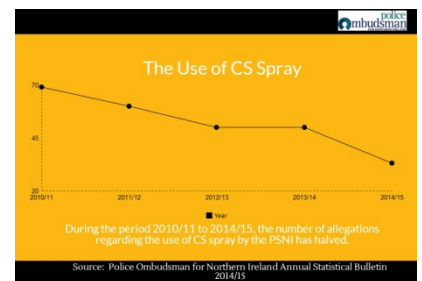

### Informal resolution – dealing with less serious complaints

### Section 75 Report to the Equality Commission

### The Use of CS Spray
