

# Greater Shankill Neighbourhood Renewal Area Annual Report 2014 - 2015

# Area Profile of Greater Shankill Neighbourhood Renewal Area (NRA)

# Greater Shankill Neighbourhood Renewal Partnership ANNUAL REPORT – 2014 – 2015

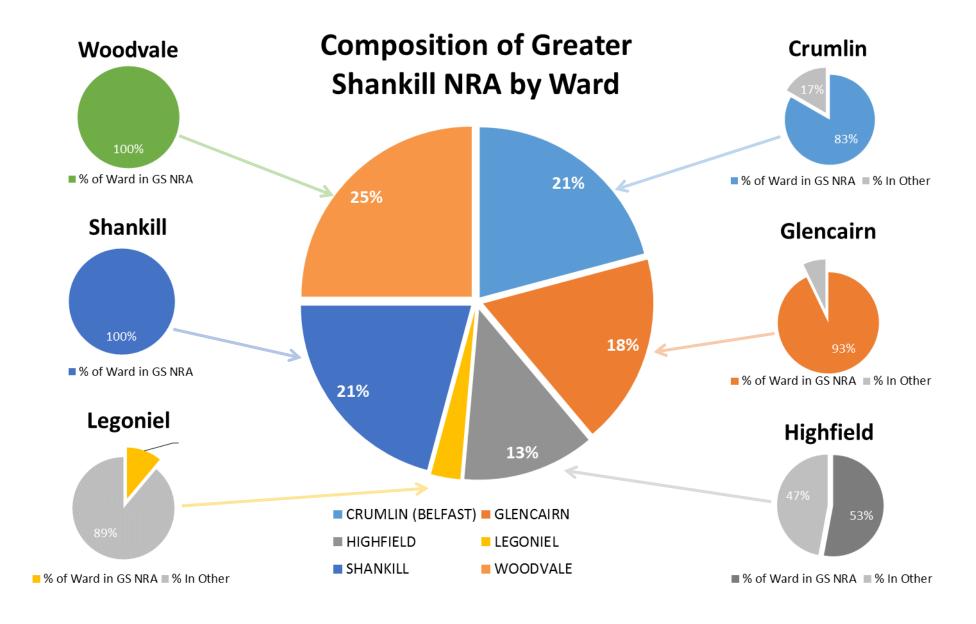

### About Neighbourhood Renewal

The Neighbourhood Renewal Programme aims to reduce the social and economic inequalities which characterise the most deprived areas. It does so by making a long term commitment to communities to work in partnership with them to identify and prioritise needs and co-ordinate interventions designed to address the underlying causes of poverty. Neighbourhood Renewal Partnerships were established with representatives of local community interests together with appropriate Government Departments, public sector agencies, private sector interest and locally elected representatives. The socio economic statistics demonstrate some of the principal challenges facing the Greater Shankill area, reflecting high levels of unemployment, low educational attainment, community health issues and the challenges facing young people in the area and lack of facilities available.

**Strategic Objectives of NR** – To tackle the complex, multi-dimensional nature of deprivation in an integrated way, Neighbourhood Renewal will have four interlinking strategic objectives.

- Community Renewal to develop confident communities that are able and committed to improving the quality of life in their areas.
- <u>Economic Renewal</u> to develop economic activity in the most deprived neighbourhoods and connect them to the wider urban economy so that they become attractive places to live and invest in.
- <u>Social Renewal</u> to improve social conditions for the people who live in the most deprived neighbourhoods through better co-ordinated public services and the creation of safer environments; and

•	<u>Physical Renewal</u> – to help create attractive, safe, sustainable environments in the most deprived neighbourhoods.

#### Greater Shankill has one of largest populations among Neighbourhood Renewal Areas.

- The percentage of households consisting of a lone parent with children increased to 17% in 2011, an increase of 2.0 pp compared to 2001. This is the same percentage as across all NRAs, but remains greater than that in non-NRAs (8%)
- The percentage of lone pensioner households decreased to 16% in 2011, a reduction of 6.0 pp. This remains higher than the percentage across both all NRAs (11%) and non-NRAs (11%).
- The percentage of working age people with a long term illness decreased to 29%, a reduction of 1.0 pp. This is greater than both the percentage across all NRAs (25%) and that in non-NRAs (15%).
- Greater Shankill NRA has shown a 16.0 pp decrease in the percentage of the working age population with no qualifications, from 68% in 2001 to 52% in 2011. Despite this reduction, Greater Shankill NRA continues to have the greatest percentage of working age population with no qualifications across all NRAs. This is 25.0 pp greater than the percentage in non-NRAs (27%).
- The percentage of economically inactive people in Greater Shankill NRA has decreased to 47%, a reduction of 8.0 pp. The percentage remains less than the average across all NRAs (50%), but is greater than that in non-NRAs (35%).
- Greater Shankill NRA has seen a small 0.1 pp decrease in its unemployment rate, reducing to 3.4%. This is less than the percentage across all NRAs (3.6%), but is greater than that in non-NRAs (2%).

Census Comparison Report Greater Shankill Neighbourhood Renewal Area, March 2014

## About Greater Shankill Neighbourhood Partnership (GSP)

The Greater Shankill Partnership (GSP) is unique in that the Neighbourhood Renewal Partnership is also the Area Partnership which fits under the name of the Greater Shankill Partnership.

The Greater Shankill NRA covers all or part of 6 electoral Wards, which contain all or part of 14 Super Output Areas (SOA). The SOA's are composed of 72 Output Areas, the level at which the NRA is defined. The 14 SOA's encompassed by the NRA are:

- Crumlin 1 & 2
- Shankill 1 & 2
- Woodvale 1, 2 & 3
- Glencairn 1 & 2
- Highfield 3, also to a lesser extent Highfield 1 & 2 and
- Legoniel 1 & 3.

### Greater Shankill Partnership has three levels of work.

- 1.) Regeneration is at the core of the work of the Greater Shankill Partnership. This encompasses the role of Neighbourhood Renewal
- 2.) Greater Shankill Neighbourhood Partnership operates projects which also seek to drive forward regeneration.
- 3.) It links Greater Shankill to other projects in adjacent communities and on a Belfast wide basis e.g. Belfast Strategic Partnership, Belfast Outcomes Group.

Greater Shankill was the first Area Partnership established in the mid-1990s and is the key strategic body in the area, with membership drawn from community, voluntary, statutory, private sector, churches and elected representatives. It is also a Company Limited by Guarantee. The Greater Shankill Community Convention was developed to bring together disparate voices in an open forum and to return the community to a community development and regeneration agenda, it has been successful in this respect. The Convention approach has proved to be

inclusive and non-threatening, and was particularly suited to an area that had not yet developed the capacity or confidence to discuss and progress their own priorities and had been subject to community fragmentation, by a series of redevelopment programmes and later by paramilitary feuding. The Greater Shankill Community Convention is jointly organised and convened by the GSP and the Greater Shankill Community Council. The Convention process was also instrumental in developing the Neighbourhood Renewal Action Plan for Greater Shankill and has continued to play a key and unique role in the area. Many of its Neighbourhood Renewal Task Groups have now established themselves as an integral part of the community infrastructure in the Greater Shankill community.

The Convention originally established nine task groups to assist in the identification, development and delivery of projects which aim to address the four strategic objectives of Neighbourhood Renewal, these are community renewal, social renewal, economic renewal and physical renewal. They also assist local community organisations to co-ordinate actions that are beneficial for all communities living in the Greater Shankill Neighbourhood Renewal Area (NRA). The Task Groups produced the reframed Neighbourhood Action Plan in 2011 which was then endorsed by the Greater Shankill Convention and adopted by Greater Shankill Partnership.

Task Groups have been reformulated over the lifetime of the Action Plan to reflect the changing needs of the community, this forms part of the action learning process that is vital for any successful community development project. Some task groups were amalgamated in order to ensure all needs were dealt with collaboratively and without repetition of work. Task Group Leaders facilitated by the Greater Shankill Partnership have responsibility for ensuring cross-theme integration of the plan and lobbying relevant Departments.

The sub groups have the following membership, which are accurate at March 31st 2015.

## **Education Task Group**

This task group is presently being reformed under the Greater Shankill Children and Young People's Zone

## Greater Shankill Neighbourhood Partnership Projects

The Neighbourhood Renewal Investment Fund is currently supporting a number of projects in the Greater Shankill Neighbourhood Renewal Area. This support provides leverage to the groups to access funding from a range of other sources to provide programmes to meet the identified needs of people within the community.

## Community and Social Renewal Projects

Streetbeat Youth Project is a registered charity and was founded in 1991 to address the needs of young people, their families and the local community who were affected by the troubles. Their work has continued to develop and presently provides a range of services to young people including group work programmes, a counselling service, drop-in, school work and during the summer holidays they run a summer scheme. They also provide a range of opportunities for young people to become involved in community development training as well as a range of community projects. This year 11 young people have given up their time to volunteer with Streetbeat. All young volunteers have started the Volunteer to Career programme in which they create CV's, gain an OCN in Youth Work and get trained by Belfast Activity Centre to lead groups

in a mountain biking session. They also help within the Drop-in and group work, planning events and being positive role models for the other young people.

Steve Morrison, Telephone 028 9075 3874

Belfast Activity Centre. (BAC) has over 24 years of experience in challenging and inspiring young people to realise their full potential. BAC engages young people through a range of dynamic programmes; it supports over 20,000 young people annually to expand their personal and social development through outdoor adventure learning. BAC works with over 200 groups and organisations to deliver bespoke programmes to meet educational, motivational and team building outcomes. Programmes include: AccessABILITY, , Shoulder to shoulder, Towards Independence and Fairbridge. Through the Neighbourhood Renewal Funding provided the organization runs the YouthBuild programme which is delivered in each of the North Belfast Neighbourhood Renewal Areas and provides quality youth services through programmes for

personal and social development through experiential learning using the media of outdoor activities and pursuits.

Trevor Kilpatrick, Contact number 028 9060 0132

Blackmountain Action Group. The Blackmountain Action Group provides services within the Highfield Ward of Belfast City Council although the services it provides are used by a vast range of groups from the wider community. Through the funding provide through the Neighbourhood Renewal Investment fund the organization has implemented the 'Pathways: Empowering Blackmountain' project which aims to place Blackmountain Action Group at the heart of Neighbourhood Renewal through the delivery of a number of key services such as ; Citizen and leadership skills mentoring.; Sports development; Summer intervention activities; Community relations projects; Physical renewal programmes; Education

programmes; Community safety projects; Inter generational work; Health awareness and Volunteer Development

#### Contact person Matt Kincaid, Telephone 028 9020 0305

**Hobby Horse Playgroup / Riddel Crèche**: These organizations provide 47 preschool places for children in their formative years before school attendance. Hobby Horse also provides 6 special needs after schools placements.. Such provision is vital for the preparation of young children in order to place them in the best possible position from the beginning of their education

Contact persons, Rita Milligan, Telephone 028 90 26 5390 Kathleen Mc Kee, Telephone 028 9058 2882

FASA (Forum for Action on Substance Abuse / Suicide Awareness) provides a holistic community response to issues of substance misuse, suicide, self harm and crisis, providing equitable service based provision on a city wide basis which specifically targets areas of high deprivation. The organization delivers a range of services including: targeted education, intervention, treatment, training and crisis response. They have a family matters team which works with families directly affected by the above issues. Neighbourhood Renewal funding for this organization is provided on a citywide basis.

Contact number Anne Bill 028 9080 3040

Forthspring Intercommunity Group represents a rare 'shared space' in a highly contested area and provides an environment where people from both communities can meet and find a different way from the violence and division of the past. The project delivers a diverse range of programmes that promote good relations and encourage personal & community empowerment; ensuring programmes provide developmentally challenging opportunities and encourage innovative approaches and partnerships.

It also has an after-schools project, Springers, that offers quality affordable out-of-schools childcare to children attending local primary schools.

#### Contact Johnston Price, Telephone 028 9031 3945

Farset RESPECT Programme (Re-Engaging and Supporting People to Enable Community Transformation) Project delivers training & development programmes which targets hard-to-reach young people, parents and adults working with young people in disadvantaged communities. In particular, the project reaches out to those young people who are not currently involved with youth services and who may be engaging in anti-social behaviour or are at risk from drugs and alcohol. The programme is unique because it has a focus on helping young people develop relationships with adults, parents and mentors who can help them identify the steps they need to take to change their mindset and lifestyles

#### Contact person Isaac Andrews, Telephone 028 9031 9833

EPIC (Ex-Prisoners Interpretative Centre) has been operational since 1995 and aims to make a positive impact on peace building in Northern Ireland through the delivery of a wide range of activities including; Creating opportunities for ex-combatants and others to engage in dialogue with political adversaries; Youth intervention (using the experience of former prisoners/combatants to influence youth to channel energies towards non-violent methods of resolving conflict; Assisting former UVF/RHC activists in the process of transformation through developing opportunities for them to contribute positively and non-violently to their communities; Resolution of interface violence by

maintaining lines of communication with Republican activists and the provision of Welfare Rights Advice service to both ex-prisoners and the wider community.

Contact person Tom Roberts, Telephone 028 9074 8922

## West Belfast Athletic and Cultural society

West Belfast Athletic and Cultural Society was founded by former political prisoners and community leaders in response to concerns for the future of the Greater Shankill area of Belfast. It has established itself as a positive presence in the community by providing creative opportunities for the exploration and expression of Protestant identity and culture, and by promoting health and fitness through its recreational facilities.

Contact person Paul Ferguson 028 9032 7717

Shankill Women's Centre Shankill Women's Centre was formed in May 1987 as a locally based group to provide education for women. The funding provided allows the continued provision of core services to the organisation. These core posts are integral to the ongoing work of the Centre, and are regarded as the infrastructure that underpins the work carried out by the various programmes. The funding additionally supports the Shankill Women's Centre's Health Project which delivers a programme rich in mental health promotion. This project aims to address the wider determinates of mental health and social exclusion, lifestyle choices and to promote positive mental health through awareness programmes and accredited courses to build confidence and self-esteem. The underlying themes of the projects are to address the exclusion and neglect of women, promote their

participation and to increase democracy and citizenship within the community.

Contact person, Betty Carlisle 028 9024 0642

Lower Shankill Community Association – SCOPE Shankill Community Outreach Programme provides services to the community to build cross community relationships and inter/intra relationships within the Lower Shankill area. The project also runs a weeknight Youth club for disaffected youths; Women's Project; Summer Scheme intervention activities; Health education/ awareness projects; Physical Renewal Projects; Community Development Programmes and Community Relationship building

#### Contact person Ian Mc Laughlin, Telephone 028 9024 9740

Belfast Community Sports Development Network (BCSDN) was set up in October 2006. It represents Community Regeneration Organisations and Community Managed Multi Sports Facilities within areas of social and economic deprivation.

BCSDN enables community sports in Belfast to articulate and endorse a strategic approach to the development of sport and community regeneration. It provides management, support, mentoring and guidance to Development Officers, Clubs and Community Organisations enabling Belfast wide programmes to be implemented, while complimenting local delivery, to promote the development of sporting events, competitions and activities.

Contact Person: Peter Shaw Telephone: 028 9029 7661

West Kirk Community Project The project seeks to encourage the social, emotional, spiritual, physical and educational development of marginalised people by providing support and care to vulnerable individuals with particular social needs. eg, family crises, bereavement, risk of involvement in crime, vandalism or paramilitarism.

OFFENDER-RESPASSING

Northern Ireland Alternatives - is an umbrella organization representing Greater Shankill Alternatives,

East Belfast Alternatives, North Belfast Alternatives, South Belfast Alternatives and North Down Alternatives. Working with victims, young people, vulnerable residents and the wider community, NIA provides a number of services that address the issues of community conflict, community cohesion and anti-social behaviour, and the impact that these have upon individuals and communities. Although the work of Alternatives cuts across many themes such as health, education and community regeneration, the two most prevalent themes in its work are youth and community safety.

## **Economic Renewal**

St Andrew's Community Action Group seeks to improve and enhance the infrastructure and services available to the residents of the Glencairn estate. It employs workers in community service and social economy projects. The Company is restricted to the promotion and advancement of community development, the promotion of urban regeneration, the Christian faith, the relief of poverty, sickness and the aged and the promotion of the benefit of the Greater Shankill area of Belfast, Northern Ireland without distinction of age, gender, disability, sexual orientation, nationality, ethnic identity, political or religious opinion, DSD has provided technical support to the St Andrew's Community Action Group to develop a social economy project within the Glencairn estate. Contact number 028 9039 2050

Shankill Women's Centre This project delivers additional complimentary education and training opportunities which enhance the employability skills of individuals not currently well serviced by mainstream provision. DSD provide 35% of the required funding to deliver the with DEL providing 25% and the European Social Fund (ESF) making up 40%. Targets are set by Department of Employment and Learning (DEL). Contact person Roberta Grey, Telephone 028 9024 0642

# Physical Renewal

Blackmountain Primary School – Refurbishment of staff room for use as a parent's room. The existing parent's room was very small with no facilities and in poor physical condition. This new room provides a space for the school parents group enabling them to hold meetings, run workshops (e.g. Job assist, first aid, parenting classes) and organise fundraising events for the school. It also enhances the after school FAST (Family and Schools Together) programme. In addition provides space elsewhere in the building which will allow the school to provide more services and accommodate more outside organisations e.g. CHESS (children's support service), music therapy and speech therapy.

## **Greater Shankill Neighbourhood Partnership 2014/2015 Expenditure (by Strategic Objective)**

The following table details current projects funded via the Neighbourhood Renewal Investment fund. It also details the 2014/15 individual spend for each project, the total amount of expenditure by strategic objective and the overall 2014/15 total expenditure in the Greater Shankill Neighbourhood Renewal Area.
