During these difficult times, we are continuing to bring you inspiring stories about the groups we invest in, and how their work benefits communities throughout Northern Ireland.

If you're interested in delivering an event for Good Relations Week 2020 -- our website is now open for registration and has lots of helpful advice. To get involved, check out the full details further below.

In this month's issue, you can read about:

Covid-19 Update

The key priority of the NI Community Relations Council (NICRC) is the health and well-being of those we work with, our staff and their families. We also want to ensure that we continue to deliver our services as far as is possible in these unprecedented times. You will all be aware of the recent change to the government's guidance on Covid-19. Below we have set out the steps we are taking as a result of the new guidance:

- Currently our office is closed. Our staff are working remotely and can be contacted by email or through our current office number: 028 9022 7500.
- All events organised by CRC have moved to online platforms. We will update this position when the government's guidance permits people to gather in numbers again.
- Until the emergency arrangements are relaxed, we have limited ability to collect post from our office. Post will be collected on Wednesdays only. Consider contacting us by phone or email.

To stay up-to-date, keep checking our website and social media channels.

Springboard Opps, who are core funded by the NI Community Relations Council, created a video to capture what young people were feeling while living through lockdown.

“We wanted to ensure that young people had an opportunity to reflect and process their emotions whilst surviving a global pandemic,” said Angila Chada, Executive Director of Springboard. “It was important they had space to reflect on their life and ask what they wanted to leave behind and what they wanted to take with them moving forward.”
