GUIDANCE ON COMPLETING POLITICAL FUND ACCOUNTS

- A trade union can include the furtherance of political objects among its objects providing it has adopted political fund rules through a ballot approving a resolution allowing expenditure on such objects. Those rules (and amendments) must be approved by the Certification Officer, as must the rules governing ballots approving these objects.
- Where a union has expenditure or income which relate to its Political Fund the amounts should be itemised here and excluded from all other accounts including analysis of administrative expenses at page 15.
- 26. Most unions will only need to complete section 4. However, where a union is affiliated to another trade union and collects political fund contributions on behalf of that union section 5 will have to be completed.
- 27. Expenditure can be made from the political fund account on non-political objects and to other funds of the union.
- 28a. Figures are required for the number of Northern Ireland members* who have completed a "contracting-in" notice and therefore contribute to the political fund;
- 28b. Figures are required for the number of Northern Ireland members who are statutorily exempt from contributing to the political fund; and
- 28c. Figures are required for the number of members outside Northern Ireland who have completed an exemption notice and therefore do not contribute to the political fund.

^{*} Unlike members in Great Britain, it is a statutory requirement that Northern Ireland trade union members must "contract-in" to a political fund in their union. Where a Northern Ireland trade union member does not "contract-in" or, having "contracted-in" subsequently decides to "contract-out" he is exempt under Northern Ireland law from contributing to the political fund. In the case of Great Britain unions completing this return the words "Article 57 of the Trade Union and Labour Relations (Northern Ireland) Order 1995 should be replaced by the words "section 82 of the Trade Union and Labour Relations (Consolidation) Act 1992".

OFFICIALS' SALARIES AND BENEFITS

- 31. The positions concerned are those of president, general secretary and each member of the executive.
- 32. Details are to be provided of salary and all other benefits paid from trade union funds.
- 33. The legislation does not define what constitutes a benefit. For the purpose of this return benefits are:
 - a. those designated as "taxable" benefits by the Inland Revenue.
 - b. pension/superannuation arrangements (see Notes 36-40).
 - c. redundancy and other termination payments (see Note 41).
- 34. Information is required of individual benefits with a value in excess of £100 in one accounting period. In addition to the information required above, details are also required on any loans paid from union funds.
- 35. If salaries and benefits (including loans) are not paid in respect of the president, general secretary or member of the executive committee a **nil** return is required.

PENSION CONTRIBUTIONS

- 36. Where contributions are paid from union funds into a **defined contributions scheme** in relation to the officials identified at Note 31, the amounts must be declared.
- 37. If the union operates a **defined benefits scheme** in relation to the officials at Note 31 please contact the Certification Office for advice on how such benefits should be recorded.

ANALYSIS OF OFFICIALS SALARIES AND BENEFITS

Benefits		Total	Employers NI-Contributions
Description	Value (£)	£	£
Description		ন্ন, ^ন চ।	4,594

- Where life assurance protection is included in the pension scheme the figure inserted in the pension column should include any additional contribution paid in respect of this cover.
- 39. Where life assurance protection is provided through an arrangement separate from the pension scheme the figure paid in respect of this cover should be included in the "Benefits" column and the description column should be annotated to this effect.
- 40. Some pension schemes operate an opt out clause from the State Earnings Related Pension Scheme (SERPS). The level of employer's national insurance contributions reflects whether the scheme provides a benefit in place of part of the state benefit scheme or are paid a benefit in addition to the state benefit. It is important therefore that the correct figure for employer's national insurance contribution is provided.

REDUNDANCY AND TERMINATION PAYMENTS

41. These are payments or other benefits (including payments of salary, or in lieu of salary) made to an officer mentioned in Note 31 in connection with the termination of his/her office. Where the payment or other benefit is provided at or about the same time as the termination, or in the financial year covered by the return, the full value should be shown. If the payment or other benefit is not fully provided in that year, a description of the payment or other benefit to be provided in future years should also be shown. The cost associated with such commitments need not be shown in subsequent years in this table.

GUIDANCE ON	COMPLETION	OF ANALYSIS	OF INVESTMENT INCOME

- 42. Income from Unit Trusts and Investment Trusts should be included as dividends from equities.
- 43. Income from Government Securities includes interest paid on Government Stock and money deposited in Government Securities.

(Further details regarding what the statement is statutorily required to contain can be obtained from this office telephone: 02890 237773 Fax No: 02890 232271 and E-mail:nicertoffice.org.uk). The return must be submitted to the Certification Officer by the statutory date whether or not the members statement is available to be submitted at the same time; and
- 60b. Every trade union having its head or main office outside Northern Ireland must provide the Certification Officer with the names and addresses of one or more persons resident in Northern Ireland authorised to accept on its behalf service of process and any notices required to be served on it. The Certification Officer has no power to waive this provision. The Northern Ireland resident does not have to be a member of the trade union.

NOTES TO AUDITORS ON THE COMPLETION OF THEIR REPORT

- 61. The accounts must, in accordance with the Order, give a true and fair view of the matters to which they relate.
- 62. The accounting policies followed for dealing with items which are judged material in determining the surplus or deficit for the year and in stating the financial position should be stated on page 29. (Accounting policies mainly comprise the specific accounting bases selected by the governing body of the union, and consistently followed, for determining the accounting periods in which income and costs shall be recognised in the accounts and for determining the amounts at which material items should be stated in the Balance Sheet).

Audit

A trade union shall in respect of each accounting period appoint an auditor or auditors to audit the accounts contained in the annual return. A person* is qualified to be the auditor or one of the auditors if he is eligible for appointment as a company auditor under Article 28 of the Companies (Northern Ireland) Order 1990.

Two or more persons who are not qualified may act as auditors of a trade union in respect of an accounting period if:

- a. the receipts and payments in respect of the union's last preceding accounting period did not in the aggregate exceed £5,000;
- b. the number of its members at the end of that period did not exceed 500;
- c. the value of its assets at the end of that period did not in the aggregate exceed £5,000; and
- d. they are not officers or employees of the union.

Trade Unions incorporated under the Companies Order

- As long as the period is the same and there is no reduction in the amount of information supplied a union incorporated under Company law may submit with the return a copy of its accounts prepared under that law providing pages 1, 3, 13, 16, 17, 27, 29, 30 and 32 of the return are completed. Where the Companies Order return does not provide all the information sought in this return the additional information should be provided as appropriate. A separate Auditor's Report must always nevertheless be provided, and signed, on pages 32 and 33 of the return. The consolidation summary on page 34 must always be completed.
- 65. Auditors are required to sign the form at the place provided and if in their report they state that the accounts meet the provisions of the Companies Order they must also state that the requirements of the Industrial Relations (Northern Ireland) Order 1992 have been met.

^{*} In the case of auditors of Great Britain unions completing this return the words "Companies (Northern Ireland) Order 1990" should be replaced by the words "section 25 of the Companies Act 1989", the words "Articles 18-21 of Schedule 1 to the Industrial Relations (NI) Order 1992" should be replaced by the words "section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992" (Note 63) and the words "Order" and "Industrial Relations (Northern Ireland) Order 1992" should be replaced by the words "Ace" and "Trade Union and Labour Relations (Consolidation) Act 1992" (Note 65).
