

Consultation Document:

Output Geography for the Updated Multiple Deprivation Measure

Moderation Policy

In the interests of transparency, the Northern Ireland Statistics and Research Agency (NISRA) will publish all responses to the consultation on output geography for the updated Multiple Deprivation Measure (NIMDM 2017).

This gives you the opportunity to post a response to this consultation that will remain publicly available on this website and the NISRA website. The site, therefore, operates a moderation policy to ensure that responses are appropriate and not harmful to others. Moderation is performed by NISRA in accordance with the terms set out below.

Responses that include any of the following may be deleted:

- Threats or incitements to violence;
- Use of obscenity;
- Duplicative or substantially duplicative postings by the same person or entity;
- Postings seeking employment or containing advertisements for a commercial product or service; or
- Information posted in violation of law, including libel, condoning or encouraging illegal activity, revealing classified information, or infringing on a copyright or trademark.

We deeply value your time and input, and our desire is to remove as few responses as possible while ensuring that a focused, constructive consultation takes place. To address additional matters as may be warranted this moderation policy is subject to change. If you have a complaint about an item of user-generated content on this site, or feel that your own content has been removed in error, please contact us at:
