* Over the period 2000-2015 several parts of the NICS changed their status and ceased to be part of the civil service; in addition, NICS staff on secondment to the Police Service of Northern Ireland (PSNI) ceased to be civil servants and became PSNI employees. Increases in the latter years are due to the devolution of Policing and Justice and the subsequent inclusion of Prison Grade Staff. Legal Services Agency and the Planning Office staff previously of DOE also contribute to the fluctuation in numbers. The table to the right lists the years in which the main changes occurred, and the approximate increase/decrease in NICS staff as a result.

Background Notes

Concepts and Definitions

The Northern Ireland Civil Service (NICS)

1. The NICS is the civil service of the devolved administration. It includes staff working in the 9 Northern Ireland ministerial departments and staff working in the Public Prosecution Service for Northern Ireland (which is a non-ministerial Government department). Civil servants in the Health and Safety Executive for Northern Ireland and the Office of the Attorney General for Northern Ireland are also included. For figures prior to 1st January 2018 the Historical Institutional Abuse Inquiry Team is included.

Self-employed, contract workers and agency workers are excluded. Staff on career breaks or on secondment outside the NICS are also excluded.

Permanent and Temporary/Casual staff

3. Permanent employees are employees with a contract with no agreed expiry date or a fixed-term contract of more than 12 months. Temporary/casual employees are those with a fixed term contract of twelve months or less, or employed on a casual basis.

Headcount Figures

4. Headcount figures count each employee as one member of staff, irrespective of whether they work full or part-time.

Full-time Equivalent (FTE) Figures

5. FTE figures are calculated by expressing each part-time employee's hours as a proportion of a full time employee's hours. Thus, for example, someone working 18.5 hours per week counts as 0.5 staff, since a full-time employee is considered to work 37 hours per week.

Full-Time and Part-Time Staff

6. Full-time staff are employees who are considered to work 37 hours per week and so have an FTE of 1.0. Part-time staff have an FTE of less than 1 and represent staff who over the course of a year work an average of less than 37 hours per week. As such, job share and term time staff are deemed to be part-time.
